Introduction	1
Acknowledgments.....	5
Part 1 The Darwin Information Typing Architecture.....	7
Part 2 DITA Topics	13
Section A Understanding the Core DITA Information Types.....	19
LESSON 1 Understanding the Arbortext Editor.....	24
LESSON 2 Concept Information Type	29
LESSON 3 Task Information Type	41
LESSON 4 Reference Information Type.....	58
Section B Understanding DITA Elements.....	69
LESSON 5 Block Elements.....	71
LESSON 6 Phrase Elements.....	83
LESSON 7 Related Links	97
Section C Understanding Topic Metadata	104
LESSON 8 Prolog Metadata	105
Part 3 DITA Maps	113
Section D Understanding DITA Map Basics.....	116
LESSON 9 About the Arbortext Map Editor	118
LESSON 10 DITA Map Structure.....	122
Section E Understanding DITA Map Attributes	142
LESSON 11 Format Attribute	144
LESSON 12 Scope Attribute	146
LESSON 13 Type Attribute	153
LESSON 14 Processing Attributes	159
Section F Understanding Map Linking.....	163
LESSON 15 Collection-type Attribute.....	167
LESSON 16 Linking Attribute.....	176
Section G Understanding Relationship Tables	180
LESSON 17 Relationship Tables	181
Part 4 Specialization	191
Section H Understanding DITA Specialization	193
Part 5 Content Reuse.....	199
Section I Understanding DITA Content Reuse	201
LESSON 18 Conref Attribute.....	203
Part 6 DITA Processing.....	209
Section J Understanding Conditional Processing	210
LESSON 19 Applying Profiles to a Topic.....	213
LESSON 20 Applying Profiles to a Map	215
LESSON 21 Viewing the Profiled Version of a Topic or a Map	217
Section K Understanding Publishing	219
LESSON 22 Publishing a Topic as a PDF.....	220
LESSON 23 Publishing a Topic in HTML.....	221
LESSON 24 Publishing a Topic for Web Help.....	222

LESSON 25 Publishing a Document Using XSL.....	223
Appendix A: Sample DITA Content	225
Comstar overview.....	226
Comstar overview code.....	228
Quick Guide to Basic Telephone Use.....	230
Quick guide code	231
About hold	233
About hold code	234
Holding a call	235
Holding a call code	236
About transfer	237
About transfer code	238
Transferring a call.....	239
Transferring a call code.....	240
About forward	242
About forward code	243
Forwarding a call.....	244
Forwarding a call code.....	245
About conference calls	246
About conference call code	247
Placing a call	248
Placing a call code	249
Leaving a conference call temporarily	250
Leaving a conference call temporarily code.....	251
Reentering a conference call	252
Reentering a conference call code	253
Consulting privately on the conference call	254
Consulting privately on the conference call code.....	255
Reentering a call with all people	256
Reentering a call with all people code.....	257
About using the telephone's features	258
About using the telephone's features code	259
Warnings.....	260
Warnings code	261
Glossary.....	262
Glossary code.....	264
Comstar map code.....	268
Appendix B: DITA Element Glossary	271
